

# GAME ROOM RULES AND GUIDELINES

This Game Room represents a significant investment. The game tables and video equipment are very expensive. The ability to use this room is a privilege. **The ACYRC reserves the right to suspend that privilege to anyone at anytime for any reason.**

Once we reach room capacity no one else can come in. Before you drop off kids and leave make sure we have room for them. The game room will be open from Noon until 5pm, Monday – Friday. We are not a daycare facility. The staff are not babysitters. We recommend that children be at least 8 years old to enter without parent or legal guardian who are 18 years old or older. The children must be mature enough to follow instructions and rules of the game room. They must be mature enough to handle game apparatus appropriately. Children should be mature enough to use the restrooms by themselves. This includes entering and exiting the restrooms by themselves. The doors are heavy and require a certain level of strength to open. Children are free to come and go as they wish but while they are inside, they will be supervised and must be on their best behavior.

**We have a very small staff. If there is an emergency and the staff must leave the building the children must be mature enough to stand outside by themselves until a parent can pick them up.**

We require all who come to play to respect the staff, respect each other and respect themselves. The game room will be monitored by several video cameras. The ACYRC will not be responsible for items brought into the building.

I have carefully read this document. I have had the opportunity to ask questions and have them answered. I am confident that I fully know and understand all rules and guidelines for using the Game Room at the ACYRC. I, the parent/guardian do hereby give my approval for my child's use of the Game Room. I will be financially responsible for any and all damages caused by my child. **The ACYRC has the right to suspend my son/daughter at anytime for any reason.**
